Principal’s Report

Welcome back to Term 3.

At the end of Term 2, Booligal Public School, held an Assembly, along with the Biggest Morning Tea. I would like to thank Belinda for organising the event, the community that came along on the day to support the students and not forgetting all the great cooks that provided a delicious morning tea. $152.00 was raised for the Cancer Council.

Crazy Hair Day was held on Monday 23rd June. A total of $25.00 was raised for Cystic Fibrosis. Thank you for your support on the day.

At Assembly, I presented awards to all students, as Mrs Headon was unfortunately absent. Students received awards for all their great work across many KLA’s throughout the Term. Well done to all students for their consistent efforts in all areas. Keep up the great work! Special mention must go to our Kindergarten students Grace, Hope and Lachlan who wrote their own story, then very confidently read the story out to those present at Assembly.

Parents and visitors were dazzled by the amazing dance performance to Khe Sera by the students and we look forward to recommencing lessons with Dan in Term 3.

Last Term, Pip Ireson joined in with St Mary’s League Tag Team to take part in the Mortimer Shield. The league tag team participated in games against other schools in the area. Pip was most valuable player in Round 1. Congratulations!

Isaac Booth joined Hay Public School in Rugby League to play Mortimer Shield. Isaac scored a try in the second round, much to Mr Ayre’s delight!

Both students thank the respective schools for inviting them to join in for Mortimer Shield.

On Wednesday 25th June, students in Years 2-6, along with myself, travelled to Griffith to participate in an “Operation Art Workshop” which was held at the Griffith Art Gallery. The students created many pieces on the theme of “Robots” using graphite textas, clay, scratch board and other printing and sculptural materials. The children were enthusiastic about all activities, producing many excellent pieces of work.

Whilst at the Griffith Art Gallery, we were fortunate enough to be able to view the touring “Operation Art Exhibition” featuring Dimitry’s “Toucans”. This was very exciting!! Thanks to the children for their enthusiasm, effort and beautiful manners throughout the day. It is
always a pleasure to take the Booligal children away.

Mrs Headon, Grace and Hope, travelled on to Altina Wildlife Park to take in a tour, in the cart around the park. An enjoyable day was had by Mrs Headon and the students, even though the day was quite chilly. Hope and Grace were able to visit all the animals in the park on the day. Thank you to Mrs Headon for transporting the students to Altina.

Tom, Lane, Dim and Pip will be participating in the PSSA Athletics Carnival at Albury, on Monday 4th August. The students will be competing in the PP6 Relay. We wish the students all the best on the day.

The Book Fair will be held again this year, following last year’s success. The Book Fair will be held on Tuesday 26th August and the theme this year is “Garden”. It would be great to see students dressed up as “something that you may find in the garden” to add to the day’s fun. Community members are most welcome to attend. More information will be provided closer to the day.

A Camp Oven Lunch was enjoyed by students and staff on Friday. “Camp Oven Guru” Isaac Booth assisted with the setting up of the campfire and preparation of the food. Being such a cold day we weren’t too sure how the coals would go keeping hot, but all was good. Students and staff enjoyed a Camp Fire Lunch of Steak, sausages, potatoes, pumpkin and carrot. Thankyou to parents that supplied meat for the occasion. Italian bread was an accompanient to the meal.

A taste of what is to come, in “Italian Cuisine” is currently being implemented at Booligal Public School, with Mrs Teresa Mirabelli kindly offering to spend time, showing and involving the students in the art of cooking the “Italiana “ way. Teresa started by getting the students involved with the making of fresh pasta, cooking process and use of the pasta when cooked. The finished products on the day were fettucini, meatballs, true Italian tomato sauce. We look forward to our next lesson with Mrs Mirabelli

Students are currently participating in the Premier Reading and Sporting Challenges.

Linda Stewart
Relieving Principal

Happy Birthday Lane

The students were very fortunate in being able to continue their tennis skills, with Stuart Callaghan last term. The students thoroughly enjoy participating in the Hot Shots Tennis Program, with all students making great progress. Thank you to Stuart for his valuable time, patience and kindness shown to the students at Booligal. Lessons will continue in Term 4.
Georgia, Grace, Pip, Maddie, Dim, Isaac, Tom, Lachlan and Lane pictured after planting snow peas in May. We received our first snow pea today!

Camp Oven Procedure with “Camp Oven Guru” Isaac Booth, who did a tremendous job in preparing and cooking the food.

Dim, Pip, Tom & Lane will be representing Booligal Public School in the PP6 Relay in Albury, on 4th August.
End of Term 2 Assembly & Cancer Council Morning Tea

Morning Tea in the sunshine
At the end of last term Grace and Hope accompanied by Mrs McLean, Mrs Headon and Ayesha, travelled to Altina Wildlife Park at Darlington Point. The weather was rather brisk (an understatement!) but excitement levels were high as we boarded the horse and cart to begin our tour of the park. We laughed at the meerkats, were amazed at the monkeys, in awe of the size of the lions but didn’t see the Tasmanian Devils as they thought the weather was too cold to put on a performance for visiting 5 year olds. We learned lots of interesting facts as we toured Altina. Did you know the male ostrich has red lips to make himself attractive to the female ostriches and that giraffes have only 7 bones in their neck. We really enjoyed our excursion to Altina Wildlife Park.
CRAZY HAIR DAY

Our Mortimer Shield Representatives- Pip Joined the St Mary’s Team and Isaac joined Hay Public School’s Team
