Principal's Report

Welcome to our last newsletter for Term 3. On the 31st October Maddie, Tom, Dim and Lane travelled to Albury to represent Booligal Public School at the Riverina Athletics Carnival in the P6 Relay. The relay came sixth overall, bettering their time from last year by five seconds. This is a great achievement for a Small School and we look forward to 2016.

Students and staff have supported charities over the past couple of weeks, holding Jeans for Genes day, Footy Colours Day and also Cup Cake Day for Children’s Cancer.

Thankyou to the students and their parents for supporting these very worthwhile charities.

A huge thank you to all parents that have given up their time to assist the students with Cooking, Kitchen Garden and assisting in the classroom throughout the term. Your input is very much appreciated.

I will be taking Long Service Leave, beginning the 6th October 2015, returning on Tuesday 20th October. I wish all students, staff and parents a safe and restful holiday.

Aim for our Best
Please see Mary-Ann, who will be operating the school, whilst I am on leave, if you have any concerns that need to be discussed.

The school has again had great success with Operation Art—The whole school piece “Salt of the Earth” was selected in the top 50 and after touring Regional NSW in 2016 it will become part of the Westmead Children’s Hospital permanent art collection. Grace Mclean’s “Fergus the Fish” was also selected in the Regional Hospital collection—Congratulations Grace! This is the third piece in a row. (Dimity Mclean’s 2 Toucans and the Blue Bird of Happiness (2013), the Art of Friends (2014) that have been selected for the permanent art collection, which is a very significant achievement for a P6 School.

“Salt of the Earth”.

Principal’s Report contd
Mrs Headon’s Report

Kinder and Year 1 have been very busy this term.

Our visit to Dubbo Zoo provided a great stimulus in the creation of our own Booligal Zoo. The students selected an animal, researched information about their animal and designed a habitat to effectively care for their animals. They had to ensure all elements of survival were included in their enclosures, information about their animals was displayed around the habitat. Our zoo looks terrific!

Aim for our Best
L3
Kinder and Year 1 have been participating in L3 activities during English. L3 stands for “Language, Learning and Literacy”. These activities are designed to help students become independent learners in a literacy rich environment.

Ruby, Hope & Grace in Magpie scaring hats, based on Pamela Allen’s “Waddle, Giggle, Gargle”
BOOK FAIR

Explore an Ocean of Books” was the theme for this years Book Fair, which was held on Monday. Students and staff dressed up as a sea creature on the day. Thank you to parents, students and staff for supporting the Book Fair.

Drama Workshop

Jessica and Lara from the South West Arts, visited Booligal Public School on Monday afternoon to conduct a Drama Workshop. Students participated in various activities, with lots of fun and laughter in the classroom.

Mrs Stewart - Compound Word “Starfish”.

Mermaid—Ruby Jones
Hope, Ruby, Grace and Max preparing and cooking biscuits for the Hay Show.

The students made biscuits and entered them into the Hay Show at the weekend. They also displayed artwork, hand writing, a model (by Lachie) and horticulture. Overall the students achieved excellent results with their show entries.

Footy Colours Day
